Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner indicated that the Information Disclosure Statement (IDS), filed on 2/12/04, contains the International Preliminary Examination Report from the International Application No. PCT/US00/24101 but lack the specific references. Applicant asserts that the IDS, filed on 2/12/04 was inadvertently missing the references. Further Applicant indicates that the IDS mailed on 4/23/01 lists the same references cited in the IDS filed on 2/12/04 (i.e., the International Search Report from Application PCT/US00/24101). Thus, the missing references are duplicate of the references filed on 4/23/01 which were previously considered by the Examiner..
